EQUIPMENT

Full navigation instruments, fridge, freezer, oven, telephone, snorkeling equipment.

Morgan, is a Estensi Shipyard, this is a completely new boat which still offers the timeless style of traditional lobster boats. It is built to standards that ensure it sits comfortably in CE category A, the safest for sailing. It offers surprising liveability for a 36' and in particular it proves the ideal choice for cruises for a family or for couple. The spacious cockpit is perfect for al fresco dining and the bow sun pad is very generously proportioned since the beam deck is amply proportioned even at the fore.
